# **DEVELOPMENT OPPORTUNITIES**

### DEVELOPMENT OPPORTUNITIES AVAILABLE FOR GROWING AND **ESTABLISHED BUSINESSES IN A PRIME LOCATION IN NORWICH.**

From the soil to our health, Norwich Research Park's vision is to change lives and rethink society through pioneering research and innovation, reframing the future of research. Set in over 230 hectares of parkland, Norwich Research Park is a thriving business and research community. Around 30,000 talented people, including 17,000 students, 3,000 researchers and clinicians, and over 150 companies are based at Norwich Research Park and we are continuing to expand. An Enterprise Zone location, Norwich Research Park includes 52 hectares of development land and is ideal for new and growing organisations.

One of the largest single-site concentrations of research in food, health and life sciences in Europe, the Park has world-leading credentials.

It brings together four independent world-leading research institutes: the John Innes Centre, the Quadram Institute, the Earlham Institute and The Sainsbury Laboratory, together with the University of East Anglia and the Norfolk and Norwich University Hospitals NHS Foundation Trust. A connected community that adds value to your business all located within a 1km radius. All amenities are therefore within easy walking distance of each other.

At the heart of the Park is the award winning Centrum building, a hub for knowledge exchange and networking. Visitors to Centrum can take advantage of free parking, open plan meeting areas, free guest Wi-Fi and a bustling restaurant/cafe.

A range of office and laboratory accommodation and leasing options are available at Centrum, the Innovation Centre and the Enterprise Centre. Park occupiers benefit from access to a host of business amenities including an on-site nursery, private meeting rooms, subsidised bus travel and free business coaching and mentoring.
